

TALEtellers

A small group of children exploring literature and learning to tell “sparkling” stories.

Enroll now to give your child a head start in developing language skills needed for elementary school... and life.

TALEtellers summer enrichment classes make learning fun and help children tell “sparkling” stories by enhancing their vocabulary, critical thinking skills and reading comprehension. TALEteller language specialists use the Story Grammar Marker® and Braidy, The Story Braid™ to make learning about literature fun.

Who Should Attend?

Children in Pre-K – 2nd grade

What can I Expect from a TALEtellers Class?

Each 60 min class is taught by a language specialist. Children are placed in small groups of 6-8 children. Each lesson will include one age appropriate story, exploration of story grammar and one activity (craft) to enrich learning.

TALEtellers focuses on increasing vocabulary, critical thinking skills and reading comprehension and written expression.

What Parents are Saying about Tale Tellers Summer Enrichment Classes

“ The teachers pay so much attention to the details of writing and reading that my son just exceeded my expectations of his writing and reading capabilities “

--Parent, Alpharetta

“ We won’t go anywhere else. The teachers attend so much to my son’s individual needs and adapt the program to suit him. They are so flexible.“

--Parent, Alpharetta

“ I would highly recommend story grammar techniques because it closely relates to what they are teaching in school and it has given my son techniques to organize his language socially.“

--Parent, Suwanee, GA
